Buckeye Union School District

Blue Oak

Elementary School

2011-2012 School Accountability Report Card

Principal's Message

In March of 2006, Blue Oak was designated as a California Distinguished School. This honor validates that Blue Oak School has an outstanding instructional program, high quality curriculum, processes in place for ongoing school improvement, and support for meeting the needs of all students. To continually improve the curriculum and student learning, our staff is working collaboratively so that students will be prepared for future grade levels. Looking at data collected during the 2009-10 school year, teaching staff worked in teams to create site-wide SMART goals for the 2010-11 school year. Each grade level then met to create grade-level SMART goals to target specific areas of need in Language Arts and Math. District-wide committees select and implement assessments that give teachers, students and parents complete information on a child's achievement.

The motto at Blue Oak Elementary School is, "Together We Will Build Our Future." At Blue Oak, we want students to learn the academic skills and knowledge they need to be successful in the future, to learn how to work well with others, and most importantly, to develop a desire to become life-long learners.

District Mission Statement

It is the mission of the Buckeye Union School District to provide the highest quality educational program for all students so that they fulfill their innate potential, become lifelong learners, and contribute to society as responsible citizens.

District Vision Statement

Working together with families, the community, and a highly-qualified staff, the Buckeye Union School District ensures that each student masters the knowledge and skills needed to maximize his/her academic and personal success in a global society.

School Profile

Blue Oak Elementary School is one of six elementary schools, including a Charter Montessori located on the Blue Oak campus, and two middle schools in the Buckeye Union School District. The District was established in 1858 and currently serves the communities of Shingle Springs, Cameron Park and El Dorado Hills in El Dorado County.

During the 2010-11 school year, 588 Kindergarten through fifth grade students were enrolled at the school, with classes arranged on a traditional schedule.

Discipline & Climate for Learning

Students at Blue Oak Elementary School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. Blue Oak Elementary School focuses on Positive Action Wins Success (P.A.W.S.), which stresses the Core Values of respect, responsibility, kindness, caring, trust and citizenship. Parents and students are informed of school rules and discipline policies through the parent/student handbook and a monthly parent bulletin which is e-mailed and posted on-line. The school's and Parent Teacher Association's (PTA) website is kept current, along with Facebook and Twitter pages that display photos and updates on various activities and assemblies.

Student Enrollment by Ethnic Group

2010-11

	Percentage
African American/Black	0.5%
American Indian	0.5%
Asian	1.9%
Filipino	1.2%
Hispanic or Latino	12.4%
Pacific Islander	0.3%
White	77.4%
Two or More	5.8%
None Reported	-

The suspensions and expulsions table below illustrates total cases for the last three years, as well as a percentage of enrollment. Suspensions are expressed in terms of total infractions, not number of students suspended, as some students may have been suspended on multiple occasions. Expulsions occur only when required by law or when all other alternatives are exhausted.

Suspensions & Expulsions						
	School			District		
	08-09	09-10	10-11	08-09	09-10	10-11
Suspensions	22	34	9	176	273	187
Suspension Rate	3.5%	5.5%	1.5%	3.5%	5.4%	3.7%
Expulsions	0	0	0	11	7	4
Expulsion Rate	0.0%	0.0%	0.0%	0.2%	0.1%	0.1%

Student Recognition and Achievement

The school recognizes and celebrates the achievements and successes of students and staff on a regular basis. Students are recognized for their achievements during monthly award ceremonies in the areas of attendance, academics and sportsmanship.

Extracurricular and Enrichment Activities

Students are encouraged to become involved on campus through various programs, including:

- Peace Patrol
- County Spelling Bee
- Recycling Team
- Blue Oak Leadership Team (BOLT)
- Field Trips including a 3-day 5th grade Outdoor Education Trip and Sutter's Fort and various PTA-sponsored Family Events and Assemblies.
- Grand Greeters
- All School Read-In
- Yearbook Club
- Blue Oak Video News Club
- Chorus
- Class Partnerships
- Oral Interpretation

Class Size

In addition to credentialed teachers, students receive assistance in the classroom from parent volunteers. The table indicates the average class size by grade level, as well as the number of classes offered in reference to their enrollment.

Class Size Distribution												
Average Class Size	Classrooms Containing:											
	1-20 Students			21-32 Students			33+ Students					
	09	10	11	09	10	11	09	10	11	09	10	11
By Grade Level												
K	20	22	24	4	1	-	-	3	3	-	-	-
1	20	21	25	4	1	-	-	3	3	-	-	-
2	20	24	25	4	-	-	-	4	3	-	-	-
3	20	20	24	4	2	-	1	2	4	-	-	-
4	32	32	30	-	-	-	4	2	3	-	-	-
5	32	31	31	-	-	-	4	4	3	-	1	-
K-3	19	-	25	2	-	-	-	-	1	-	-	-
4-6	-	-	28	-	-	-	-	-	1	-	-	-
Other	-	-	15	-	-	1	-	-	-	-	-	-

Enrollment by Grade Level

Blue Oak Elementary offers various incentives through awards and recognition to encourage students in regular attendance. Perfect attendance is awarded through charms that can be added to a charm necklace given for the CORE values.

Student absences are followed up first by teacher contact through phone calls and subsequent letters home. In the event of habitual truancy, students may be referred to the District's Student Attendance Review Board (SARB).

SARB is only utilized in cases of persistent absence and behavioral issues at school, and when other avenues of prevention are ineffective.

This table illustrates the enrollment trend by grade level for the past three school years.

Enrollment Trend by Grade Level

	2008-09	2009-10	2010-11
K	87	92	87
1st	102	96	91
2nd	91	103	89
3rd	85	89	98
4th	131	103	108
5th	130	135	115

Instructional Time (Includes Minimum days)

For the 2010-11 school year, Blue Oak Elementary offered 180 days of instruction, comprised of 172 regular days. The additional eight minimum days were utilized for staff development and enrichment. All instructional time either met or exceeded the daily instructional minute requirements specified in the California Education Code. The table displays a comparison of the number of instructional minutes offered at the school as compared to the state requirement for each grade level.

Instructional Minutes By Grade Level

	Minutes Required	Actual Minutes
K	36,000	36,135
1st	50,400	51,975
2nd	50,400	51,975
3rd	50,400	51,975
4th	54,000	54,000
5th	54,000	54,000

Parent Involvement

Blue Oak Elementary School realizes the positive correlation between parent involvement and student success. For this reason, the school continually searches for avenues to involve parents and the community to participate in the education of our students. The school greatly benefits from its supportive parents who participate in the following ways: Parent Teacher Association (PTA), Yearbook Committee, Masterplan Committee, Steering Committee, School Advisory Committee, and Budget Committee.

The school benefits from several community partnerships, including Intel Corporation's PC Pals and volunteers; Great Day of Service and the Eagle Scouts who also complete various upgrade maintenance projects around campus. The school relies on partnerships with the Cameron Park Fire Department and the El Dorado County Sheriff's Department.

Staff Development

As part of the growth process, opportunities for training and staff development are provided at both the District and individual school sites to administrators, teachers, and classified staff. The District offers three staff development days annually, where staff members are offered growth opportunities in curriculum, teaching strategies, and methodologies.

The 2011-12 staff development focus includes: Differentiated Instruction to meet the needs of a variety of learners in the classroom, Use of technology in the classroom, Review of data related to state and District level assessments, Areas of focus related to specific duties according to grade level and subject area, and other topics as they arise as an area of need based on site goals for the school year.

Staff is offered support through the Peer Assistance Review (PAR) program and new educators can find mentors through the Beginning Teacher Support Association (BTTSA).

Teacher Assignment

Buckeye Union School District recruits and employs the most qualified credentialed teachers. For the 2010-11 school year, Blue Oak Elementary had 27 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines.

	Teacher Credential Status			
	School			District
	08-09	09-10	10-11	10-11
Fully Credentialed	31	27	27	215
Without Full Credentials	1	0	0	0
Working Outside Subject	0	0	0	6

Teacher misassignments reflect the number of placements within a school for which the certificated employee in the teaching or services position (including positions that involve teaching English Learners) does not hold a legally recognized certificate or credential.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year. For the 2011-12 school year, the most current data are reported.

	Misassignments/Vacancies		
	09-10	10-11	11-12
Misassignments of Teachers of English Learners	0	0	0
Misassignments of Teachers (other)	0	0	0
Total Misassignments of Teachers	0	0	0
Vacant Teacher Positions	0	0	0

Highly Qualified Teachers

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified" no later than the end of the 2006-07 school year. Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

	NCLB Compliant Teachers	
	% of Core Academic Courses Taught By NCLB Compliant Teachers	% of Core Academic Courses Taught By Non-NCLB Compliant Teachers
School	100.0%	0.0%
District	100.0%	0.0%
High-Poverty Schools in District	N/A	N/A
Low-Poverty Schools in District	100.0%	0.0%

Curriculum Development

All curriculum development in the Buckeye Union School District is based on the California State Content Standards and Frameworks. Curriculum guides are updated regularly by the Curriculum Committees in conjunction with the School Advisory Committee to align with the state standards, District goals, and the statewide assessment program.

An overview of the curriculum adopted, by subject:

Language Arts

We use a balanced literacy approach to teach the communication skills of listening, speaking, reading, and writing. Students learn to read through direct instruction and step-by-step strategies.

Math

Our goal is to provide a balanced curriculum, which includes basic skills instruction and understanding of mathematical concepts.

Science

The science curriculum is based on our goal of providing a hands-on learning approach in conjunction with teaching the scientific process.

Social Studies/History

Our goal is to make history and social studies come alive for students through the use of projects, field trips, and guest speakers.

Health

Health is taught by the classroom teacher. The District has adopted the Positive Action program. This curriculum focuses on teaching students life skills and a positive self-concept.

Visual and Performing Arts

The classroom music program is taught by the classroom teacher. Components of the music program are listening, appreciation, music concepts, movement, and playing rhythm instruments.

Physical Education

P.E. specialists and classroom teachers provide a well-defined curriculum in grades 1-5 with focus on developing motor skills, movement exploration, and the introduction of team sports.

Counseling & Support Staff

It is the goal of Blue Oak Elementary School to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. *The counselor to pupil ratio is 1:588.* The table lists the support service personnel available at Blue Oak Elementary School.

	Counseling & Support Services Staff	
	Number of Staff	Full Time Equivalent
Counselor	1	0.4
Health Clerk	1	0.6
Library Associate	1	0.8
Nurse	1	0.2
Psychologist	1	0.2
Resource Specialist Program (RSP) Teacher	1	1.0
RSP Aide	1	1.0
SDC Aide	1	1.0
Special Day Class (SDC) Teacher	2	2.0
Speech/Language Specialist	1	1.0

Special Education Classes

Resource Specialist Program (RSP) - 2 classes

Special Day Class (SDC) - 2 classes

Special Education

The needs of special education students are met by the special education teacher and the classroom teacher. Special education students are served through a variety of approaches including assistance by special education staff in the regular classroom or through pullout services. Special education teachers are assisted by instructional aides. Special education staff meets once a month with each of his/her students' classroom teachers to update and share information to maximize the achievement of the students identified with special learning needs.

Gifted and Talented Education (GATE)

Teachers have been trained to differentiate their curriculum to challenge GATE students on a frequent basis. Differentiated Learning Plans (DLP) are written in conjunction with the teacher, parent, and student to assure educational and academic needs of our high achievers are being met. Supplementary opportunities occur throughout the school year both during and after school to provide students with experiences beyond the classroom in art, science, and oral interpretation. One teacher serves as our site GATE liaison and provides GATE students an opportunity to meet regularly after school and participate in a variety of enrichment activities.

English Language Learners

All of our classroom teachers are certified to teach students whose first language is not English. We also have an EL tutor who comes in a few days a week to work specifically on research-based strategies with those English Learners to insure we are meeting all of their needs. Blue Oak Elementary School's EL liaison meets with each teacher to offer support and resources.

Instructional Materials

Buckeye Union School District held a public hearing on the seventh of September 2011, and determined that each school within the District had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English Language Learners (ELL), are provided their own individual standards-aligned textbooks or instructional materials, or both, in core subjects as well as foreign language for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the District office prior to adoption. The table displays information collected in October 2011 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

District-Adopted Textbooks					
Grade Levels	Subject	Publisher	Adoption Year	Sufficient	% Lacking
K-5	English/ Language Arts	Houghton Mifflin	2003	Yes	0.0%
K-3	History/Social Studies	Harcourt School Publishers	2007	Yes	0.0%
4th-5th	History/Social Studies	Scott Foresman	2006	Yes	0.0%
K-5	Mathematics	Houghton Mifflin	2009	Yes	0.0%
K-5	Science	Pearson Scott Foresman	2008	Yes	0.0%

Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in the cities of El Dorado Hills and Cameron Park, which contain numerous computer workstations.

Library Information

The school's library, staffed by a part-time library assistant, provides an extensive variety of reference and special interest materials, in addition to hundreds of educational and recreational books. Students visit the library once a week with their classes and are encouraged to visit before and after school. Six computer workstations within the library are connected to the Internet so students are able to access resources and information online.

Computer Resources

All classrooms have at least three computers that are connected to the Internet. Blue Oak Elementary School also has a computer lab with 35 computers. Computer skills and concepts are integrated throughout standard curriculum, preparing students for technological growth and other opportunity. Students have been trained in the following programs: Accelerated Reader, Lexia, Skills Tutor, Browse Kids, Enchanted Learning, Education City, RAZ Kids, and Keyboarding.

Contact Information

For further information on Blue Oak School, please contact the principal, Paul Stewart or the assistant principal, Doug Shupe at (916) 933-5149 or (530) 676-0164. For more information on the Buckeye School District, contact the Superintendent, Dr. David Roth, or the Assistant Superintendent, Gabrielle Marchini, at (530) 677-2261 or (916) 985-2183.

Physical Fitness

In the spring of each year, Blue Oak Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to perform fitness tasks in six major areas: Aerobic Capacity, Body Composition, Trunk Extension Strength, Abdominal Strength, Upper Body Strength, and Flexibility. Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the Healthy Fitness Zone (HFZ). The table shows the percent of students who met the fitness standards.

Percentage of Students in Healthy Fitness Zone			
2010-11			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	12.1%	23.3%	54.3%

**Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

California Standards Test (CST)

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English/language arts, mathematics, social science, and science, for the most recent three-year period.

The second table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

California Standards Test (CST)									
Subject	School			District			State

Academic Performance Index (API)

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to achieve.

Statewide Rank: Schools receiving an API Base score are ranked in ten categories from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

Similar Schools Rank: Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

The first table displays the school's statewide and similar schools' API ranks and API point changes by student group. The second table displays, by student group, the 2011 Growth API at the school, District, and state level.

Growth API						
	School		District		State	
	Number of Students	Growth Score	Number of Students	Growth Score	Number of Students	Growth Score
All Students at the School	398	837	3,543	891	4,683,676	778

Actual API Change	-	-	-33

Adequate Yearly Progress (AYP)

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for mathematics and English/Language Arts (ELA) by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and Districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in ELA and mathematics.
- Percent proficient on the state's standards-based assessments in ELA and mathematics.
- API as an additional indicator.
- Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their District) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school and District performance are displayed in the table.

Adequate Yearly Progress (AYP)				
Made AYP Overall	School		District	
	English - Language Arts	Mathematics	English - Language Arts	Mathematics
Met AYP Criteria	Yes	Yes	Yes	Yes
Participation Rate	Yes	Yes	Yes	Yes
Percent Proficient	No	No	No	No
API School Results	Yes		Yes	
Graduation Rate	N/A		N/A	

Federal Intervention Program

Schools and Districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and Districts advance to the next level of intervention with each additional year that they do not make AYP.

Federal Intervention Programs		
	School	District
Program Improvement (PI) Status	Not in PI	Not in PI
First Year in PI	-	-
Year in PI (2011-12)	-	-
# of Schools Currently in PI	-	0
% of Schools Identified for PI	-	0.00%

School Facilities

The Buckeye Union School District is proud of the facilities that are provided for students and families. Each year parent surveys indicate that they are pleased with the condition of the schools. In the most recent parent survey, 97.5% of parents indicated that the District schools were clean and well-maintained.

Blue Oak Elementary School was originally constructed in 1988 and is comprised of 12 classrooms, 18 portables, one multipurpose room, one library, one computer lab, and two playgrounds. Recent remodeling included library renovation and extension of the computer lab, as well as an addition of two staff restrooms. In summer 2010, the portables received new linoleum and carpet. In fall 2010 the new sports field was completed. While reviewing this report, please note that even minor discrepancies are reported in the facility inspection process. The items noted in the table have been corrected or are in the process of remediation.

School Facility Conditions				
Date of Last Inspection: 05/12/2011				
Overall Summary of School Facility Conditions: Good*				
Items Inspected	Facility Component System Status			Deficiency & Remedial Actions Taken or Planned
	Good	Fair	Poor	
Systems (Gas Leaks, Mech/HVAC, Sewer)	X			
Interior	X			MP Room - VCT underlayment starting to break down, tile is beginning to buckle but still securely adhered.
Cleanliness (Overall Cleanliness, Pest/Vermin Infestation)	X			
Electrical	X			
Restrooms/Fountains	X			
Safety (Fire Safety, Hazardous Materials)	X			
Structural (Structural Damage, Roofs)	X			
External (Grounds, Windows, Doors, Gates, Fences)		X		MP Room - Outdoor hardcourts and field recently renovated. Kindergarten - Playground retaining wall falling. Were replaced this summer.

***Good rating: The school is maintained in good repair with a few non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.**

Cleaning Process

The principal works daily with the custodial staff of five (one full-time head custodian, one groundskeeper, one night full-time, and 2 part-time) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The District governing board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure that efficient service and highest priority are given to emergency repairs.

Deferred Maintenance Budget

The District participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school Districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. In 2011-12, the District did not allocate additional funds towards the deferred maintenance budget as allowed per statute revisions made by the state legislature at the beginning of the 2009-10 fiscal year. During the 2011-12 school year, the District's governing board approved deferred maintenance projects for the school, including repair of dry rot on siding for portable buildings 23 and 25, and seal coating of asphalt.

Safe School Plan

The school provides a safe, clean environment for students, staff, and volunteers. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire, earthquake, and disaster drills are held regularly throughout the school. The School Site Safety Plan was last reviewed and updated in October 2011 by the School Safety Committee. All revisions were communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Blue Oak Elementary participates in the October Annual Safety Day, the Annual Great Shake Up earthquake drill, and various fire drills. Students are supervised before and after school by certificated staff and yard duties supervise students during lunch and recess. There is a designated area for student drop off and pick up in front of the school. Visitors must sign-in and wear a badge on campus, and all volunteers must be fingerprinted.

Teacher & Administrative Salaries

The table displays District salaries for teachers, principals, and superintendents, and compares these figures to the state averages for Districts of the same type and size. The table also displays teacher and administrative salaries as a percent of the District's budget, and compares these figures to the state averages for Districts of the same type and size. Detailed information regarding salaries may be found at the CDE website, www.cde.ca.gov.

School Site Teacher Salaries

The table illustrates the average teacher salary at the school and compares it to the average teacher salary at the District and state (based on fiscal year 2009-10 financial statements).

Average Teacher Salaries	
School & District	
School	\$66,372
District	\$62,913
Percentage of Variation	5.49%
School & State	
All Elementary School Districts	\$65,524
Percentage of Variation	1.29%

District Expenditures

The expenditures per pupil data is based on 2009-10 fiscal year audited financial statements. The table reflects the direct cost of educational services, per average daily attendance, excluding food services, facilities acquisition and construction, and certain other expenditures. This calculation is required by law annually and is compared with other Districts state-wide.

District Revenue Sources

In addition to general state funding, Buckeye Union School District receives state and federal funding for the following categorical funds and other support programs:

- Special Education
- Economic Impact Aid

Data Sources

Data within the SARC was provided by Buckeye Union School District, retrieved from the 2010-11 SARC template, located on Dataquest (<http://data1.cde.ca.gov/dataquest>), and/or Ed-Data website. Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and Districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school Districts and schools.
