EL DORADO COUNTY OFFICE OF EDUCATION Proudly Presents the

The Summer Enrichment Experience (SEE)

The El Dorado County Office of Education is excited to announce the second annual Summer Enrichment Experience (SEE). This amazing summer school opportunity is designed for middle school students who are interested in taking enrichment classes this summer. This summer's course offerings include Astronomy, All things Internet, Creative Writing, Conversational Spanish, Drama, Human Figure Drawing and Our Local History. The program is intended to be a unique summer program that allows for academic and creative discovery. Also, it is a great way for the participants to meet other students who share similar interests.

Classes begin June 20th and run for one week, Monday through Friday from 9am to 3pm. Both morning and afternoon sessions are available to students who are entering sixth, seventh or eighth grade at \$175 for the week (includes two courses). Complete registration information will be available at local middle schools and on the EDCOE webpage (www.edcoe.org). Registration deadlines will run until May 27th. We look forward to having your student participate in these fun and enriching classes!

For more information on this program, please contact Lisa Laird at llaird@edcoe.org or at 530-295-2415.
